Before passing orders on the present application the Government desire the Deputy Commissioner to ascertain and report whether the

the travelling public were put to any inconvenience during the period the building was in the occupation of the Sanitary Engineer, and whether, considering that there is now more than one well appointed hotel for Europeans and a number of Chattrams for natives, a Travellers Bungalow is at all needed in the Town of Mysore. The D.C. is also requested to report whether, in the event of the Travellers Bungalow being maintained, it would not be sufficient to employ only a Peon and a Sweeper instead of having a costly establishment of Mates, Totties &c

To

The Chief Secretary to the Dewan of Mysore,

SIR, I have the honor to acknowledge receipt of the Proceedings of Government No. $\frac{8125}{Z.T.269-92}$ of the 10th Instant, calling for a report whether the travelling public were put to any inconvenience during the period the Traveller's Bungalow at Mysore was in the occupation of the Sanitary Engineer, and, considering that there are several Chattrams and Hotels, whether a Traveller's bungalow is at all needed in the Town and in the event of the Bungalow being maintained, it would not be sufficient to employ a peon and a Sweeper instead of a costly Establishment.

2. In reply I beg to state that Mr. & Mrs. Weir were allowed to live there as a matter of necessity and were asked to vacate as soon as the building intended for them was built, against their own wishes as there were complaints against the closing of the Bungalow. In spite

of

of the two hotels many prefer to stay in the Traveller's Bungalow, and it is a necessity during the Dasara and other occasions.

His Highness was also particular about the Traveller's Bungalow being reopened early.

3. The Traveller's Bungalow is situated at a distance from the hotels and the Town and the Establishment of Maity &c. recommended in this Office letter No. 733 of the 16th November 1892, is indispensable as the Travellers resorting to it will be Europeans.

I have the honor to be.
